# 2025 TOURING CARAVAN RANGE

# WELCOME TO ELDDIS
# INSPIRING TRAVEL SINCE 1964

## 2024 proudly marks the 60th Anniversary of Elddis!

6 Decades ago, Siddle Cook, his wife Mary and son Raymond, after holidaying in touring caravans throughout the 1950s, felt they could make some bold improvements to the experience they had and began designing a range of small touring caravans in their premises in Consett, County Durham.

Production began, with two popular models of caravan - the Whirlwind and Tornado - and marketed under the name Elddis (his name 'Siddle' spelled backwards!) They were a runaway sales success and paved the way to Elddis becoming a household name.

60 years later, the company is stronger than ever, owned by Europe's largest leisure vehicle manufacturer, Erwin Hymer Group, in turn part of the largest leisure vehicle manufacturer in the world, THOR Industries Inc. and now proudly manufacturing products under three distinct brand names, Elddis, Xplore and Buccaneer, all from the same County Durham home base.

The caravan portfolio has grown over this time too, Elddis touring caravans now have a 16-model range under the Avante, Affinity and Crusader names, supported by the all-new 3-model Xplore caravan lineup for the outdoors adventurous types and the 5-model premium Buccaneer range, ensuring there are sizes and specifications to suit everyone.

You will have seen our vehicles on the road, en-route to an exciting holiday destination or on a spontaneous road-trip adventure. Our Elddis Caravans, Motorhomes and Campervans are instantly recognisable by their head-turning style and proud Elddis livery!

# INTRODUCING ELDDIS

## SMART Iconic Designs

Six decades of design and innovation have brought us to today, where Elddis continues to be one of the best-selling caravan brands in the UK.

With our multi-award winning smart design, attention to customers' requirements, deep understanding of customer usage patterns and innovative, compelling solutions. Elddis continues to excel.

Practical, easy to use, a joy to own and with a touch of flair. A vehicle ideal for every vacation.

## Extensive Choice

You'll discover a world of choice with Elddis. With a stunning portfolio of 2, 4 and 6 berth layouts, standard-width and 8ft-wide models, we have the perfect touring caravan for you!

## Style & Comfort

Providing your stylish and comfortable home-away -from home experience is at the heart of Elddis.

We aim to delight our customers.

Our wide range of fabrics, cabinetry finishes and technology ensures Elddis caravans provide a warm and welcoming atmosphere. We also provide an extensive range of option packs to further personalise your experience.

## Lasting Efficiency

Our range of caravans is designed to be efficient, lightweight for better fuel economy when towing and energy efficient.

From LED lighting - which significantly reduces electricity usage - to Grade III thermal insulation, our modern heating systems operate at their optimum. For your year-round enjoyment.

## Superb Guarantees

With an industry leading 3 Year warranty and 10 Year warranty for water ingress and body integrity, Elddis provide one of the best warranties available, for your total peace of mind.

## INTERIOR WALLS

For the 2025 season, all Elddis caravan models will be manufactured with HaloTEC interior wall material.

HaloTEC is manufactured by RENOLIT using their innovative 'RENOLIT CORK-STOCK' material.

HaloTEC is seamless, meaning no wall joins anywhere inside your caravan. It is also water resistant, lightweight and durable and creates a beautiful interior wall finish.

# Your home, on every journey.

# 60TH ANNIVERSARY DIAMOND EDITION

In celebration of our 60th Anniversary, the Diamond Edition will be standard during the 2025 model year on all Crusader models.

This fabulous upgrade includes striking new external graphics which incorporate the 60th Anniversary logo and really makes this celebration year range stand out from the crowd.

The logo is carried through into the new interior scheme where the stylish new 'Mara' upholstery - a beautiful light grey shade with soft and subtle leatherette accents - is complimented with subtly branded 60th Anniversary tagged scatter cushions.

Our new cabinetry finish in 'Tibero with Platino' and 'Linum Haithabu' complete the distinctive look of the 60th Anniversary Diamond Edition Crusader range.

# CRUSADER RANGE HIGHLIGHTS:

## Unrivalled sense of space

At 8ft wide, the feeling of onboard space is instantly apparent with the extra width providing increased floorspace. All models benefit from separate shower and washrooms further enhancing the home away from home feel.

Retractable transverse beds on the Mistral and Zephyr provide an additional 40cm of floorspace during the day and are easily repositioned at night. Of course, the 6'5" headroom creates an overwhelming sense of airiness.

## Dual usage features

The 24-hour multi programmable central heating and hot water boiler runs on gas or electric. The dual fuel hob, again running on both gas and electric, gives you added flexibility on site.

The multi-speed extractor fan can be used to extract or blow air.

The large Heki Lux Stargazer rooflight with integrated downlights across all models is a source of both natural light during the day and soft downlight ambience during the evening.

## Practicality

With an abundance of practical features the Crusader range is the perfect companion for family getaways.

All Crusader tourers are equipped with Dometic series 10 fridge-freezers ranging between 98L and 153L, providing more than adequate cold storage for longer getaways.

Not only that, the door can be opened from either the left or the right, without the need to change the hinge, allowing access from either side.

For the colder days at the beginning and end of the season, Alde central heating comes as standard which heats the caravan via radiators (rather than blown air), giving that home-from-home feeling.

The Thetford oven and hobs are dual fuel, meaning they can be used on either gas or electric ensuring you're always ready for meal time.
Crusader kitchens also come equipped with a microwave, plus there is an exterior gas barbecue point for grilling.

Naturally, on board water tanks and the leisure battery levels can both be checked from the digital status meter.

## Technology

All Crusader models have a Pioneer sound system with integrated speakers.

A remote control App - compatible with iPhone and Android - allows you to use your phone to control the system. It is fully compatible with Spotify and Apple Music. USB charging points are available for topping up those phones.

Of course, dedicated freeview/satellite connection with a Teleco Teleplus directional aerial comes as standard.

# INTERIOR DESIGN

Designed specifically for the recreational vehicle market, ActivCare fabric has been developed to not only provide supreme style and comfort but also to withstand the rigours associated with RV life.

Developed and tested for water tightness, colour fastness, bleach tolerance and other substances, the material is ‘easy clean’ which can be felt when you run your hand over the fabric.

Whilst our standard mattresses are wonderfully snug and comfortable, the Dream+ mattress upgrade, unique to Erwin Hymer Group UK, is a cut above. (Optional)

Dream+ boasts a pocket spring system and blend of natural and sustainable fillings to help regulate body temperature and ensure the best night’s sleep.

*“To celebrate the 60th Anniversary of the Elddis brand, the brief was to create a unique scheme inspired by Diamonds.*

*This was done by using silvery-grey tones and geometric patterns alongside the new furniture scheme and by adding limited edition touches, such as the 60th Anniversary branding to the exterior graphics and throughout the interior.”*

crusader aurora

# Conventional Wisdom

This single axle, 4 berth offering provides an eminently towable and manoeuvrable family touring caravan in a traditional, yet highly popular layout.

At 8ft wide, spaciousness for living and sleeping accommodation is a given.

Amidships, the separate toilet and shower cubicle create a true en-suite and allow the caravan to be used just as easily as a 2-berth or a 4-berth.

Perfect for when you have guests.

SHOWN WITH OPTIONAL LEATHER UPHOLSTERY

crusader borealis

## Sit back and unwind.

The corner lounge configuration sets the tone for the 4 berth twin axle Borealis.

The perfect place to relax and chill out, watch a movie, chat or play games.

The completely separate rear bedroom is ideal for privacy, especially if there are younger members of the family or guests using the forward double berth.

crusader
mistral

# Open-concept living.

Alongside the Aurora, the Mistral is the other single axle, 4-berth offering in the range.

This time, the traditional layout gives way to a fantastically open and airy rear bedroom and bathroom layout.

This opens up the central area of the caravan, allowing a superbly impressive view of the whole length of the tourer.

crusader

# tempest

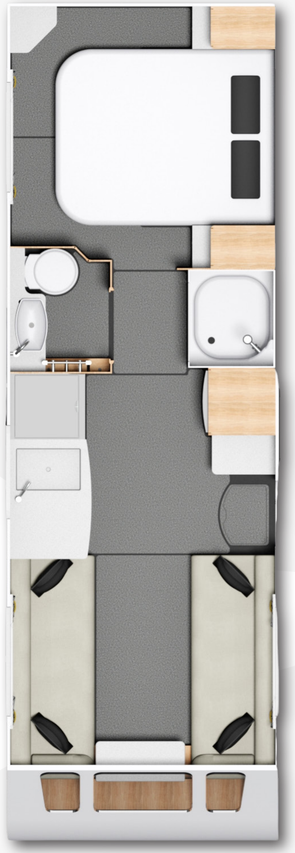

## Fun for all the family.

If your kids love bunk beds, look no further. The Tempest offers all the benefits of the Crusader range, a large twin-axle caravan, highly specified and a comprehensive summer holiday maker.

The sleeping pods are beautifully crafted and positioned next to the rear double bed, so close to parents! Of course, one or both of these sleeping pods could be used for storage.

Forward, the parallel seat layout converts to a huge double or two single beds. 6 berths in total for when friends come along!

crusader zephyr

# En-suite flexibility.

The twin-axle Zephyr boasts a roomy rear bedroom - with 6'3" retractable double bed.

The Zephyr has a centrally located separate washroom and shower which can be closed off from the living area to provide a superbly spacious en suite or closed off from the bedroom for daytime use.

Perfect flexibility for a couple or family of 4.

**Luxury, style and comfort in a mid-sized package.**

affinity

# affinity

Our sumptuous Affinity range instantly portrays style and luxury. Offered on our mid-sized platforms, all models are single axle, meaning they are straightforward to handle and light weight ensuring that storage, hitching, towing and arriving on site is a breeze.

With the 520 ideal for singles or couples with a spacious rear bathroom, to the full island rear bed on the 550 and twin single berths on the 574, Elddis Affinity is the perfect range for those requiring a luxury, yet lightweight tourer.

## All New Exterior Design for 2025

New for 2025, the Affinity range benefits from an all new exterior design. The rear panel roofline now sports a new curved profile, providing not only visual improvements but also increased structural strength.

All models are 1500kgs or under and feature the ALDE central heating system as standard.

Changes have also been made to the front, with a new window hinge bar design and an ergonomically designed pantograph hinged front gas locker door with gas-strut assistance to improve access to the storage area. New specification for 2025 season includes:

- New exterior graphics scheme provides a simplified classical look to the vehicle sides.
- Black alloy wheels
- Primo side windows
- Flush fit tinted front windows
- Chrome grab handles
- Rear light clusters with chrome features

Interior Changes for 2025

- New 'Moda' upholstery scheme
- New kitchen and bathroom taps
- Metal cabinet catches
- HaloTEC one piece interior side walls
- Acrylic kitchen splashback
- New skylight blind and surround (living area)
- Improved front locker design
- Improved bathroom features including updated shower cubicle, vanity sink, lighting and vanity tap

# AFFINITY RANGE HIGHLIGHTS:

## Luxury

Richly appointed with 'Papua Palisander' cabinetry, this darker wood with the cream accents of the kitchen cabinet doors, interior fabric and extensive use of downlights and indirect lighting instantly create a sumptuous, cosseting feeling.

Affinity's 1.4m-long Stargazer rooflight, with pleated blind, flyscreen, stylish surround and downlights allows natural light to flood inside. Of course, the integrated blinds can be used for shade and at night.

Easy Glide bed technology for simple bed conversion, low level and under counter-top lighting and individually switched chrome LED reading lights are just a few of the features that create the perfectly balanced mid-sized luxury experience.

## Comfort

After a day out sightseeing or walking in the countryside, you'll be glad of the reassuring firmness of the Affinity's seating. With bolstering to provide under knee support, the feeling of relaxation begins.

The Affinity range features ALDE central heating, for fast and effective heating and hot water, on demand!

When the sun goes down, the extensive use of ambient lighting provides the perfect cosy and relaxed atmosphere to spend the evening listening to the crystal clear sound system.

For 2025 model year the access door for the front gas bottle storage locker has been subtly redesigned utilising pantograph hinges so the door opens and hinges upwards against the front of the caravan, rather than top hinged as previously.

This provides much wider and simpler access to the storage area when lifting items in or out.

## Style

At first glance the Affinity has it all, the Sky-Scape roof proudly emblazoned with Elddis insigma, large contrasting grey gas bottle cabinet beneath the tinted front windows, stylish 10-spoke 'Tardis' alloy wheels and flowing side graphics hint at what is to come inside.

At the rear, the LED rear lights incorporated into the sculpted rear panel perfectly portray the solidity and pleasing aesthetics of the overall design.

# INTERIOR DESIGN

# AVANTE RANGE HIGHLIGHTS:

## Flexibility

With Avante, we pride ourselves in building family-friendly, flexible layouts that suit the needs - and are tailored for - every caravanner.

With a choice of sleeping arrangements and living space, every Avante comes with capable and comprehensive specification and a choice of practical options packs to further personalise your new caravan.

All Avante models are built on the proven AL-KO chassis.

AL-KO
QUALITY FOR LIFE

## Towing

Our single-axle, standard width Avante models weigh in under 1320kgs and are easy to tow with an aveage family car.

Even on 8ft-wide, twin-axle models are competitively light weight and can be towed on a mid-sized family saloon, estate or crossover.

Talk to your retailer about ensuring your perfect tow vehicle match.

## Useable Space

Whether it's a family holiday in the UK or abroad, or attending an outdoor event, or festival, the Avante range is perfectly positioned to provide the ideal holiday experience for singles, couples, or larger families.

The 6 layout options cater to most requirements.

The interior layouts and designs of the Avante range are the culmination of decades of customer feedback and detailed improvements - a caravan range by caravanners, for caravanners.

# INTERIOR DESIGN

Designed specifically for the recreational vehicle market, ActivCare fabric has been developed to not only provide supreme style and comfort but also to withstand the rigours associated with RV life.

Developed and tested for water tightness, colour fastness, bleach tolerance and other substances, the material is ‘easy clean’ which can be felt when you run your hand over the fabric.

Whilst our standard mattresses are wonderfully snug and comfortable, the Dream+ mattress upgrade, unique to Erwin Hymer Group UK, is a cut above. (Optional)

Dream+ boasts a pocket spring system and blend of natural and sustainable fillings to help regulate body temperature and ensure the best night’s sleep.

‘MAYA’ UPHOLSTERY

OPTIONAL: DREAM+ MATTRESS

*“The new Avante furniture colours were inspired by the Japandi/Nordic Natural trends that are influencing interior design.*
*“The philosophy behind these trends is to create a space that feels light and airy, but also promotes comfort and cosiness, and this suits our Avante range perfectly.*

*“We like to give customers the opportunity to put their own stamp on their interior, therefore selecting neutral tones and textures was essential to this new scheme.”*

# S20

## The most spacious couples' retreat.

A fantastic luxurious retreat, for weekends or longer holidays, the 520 is designed for two people, with a spacious and airy front lounge and a beautifully appointed kitchen with sideboard, allowing the living area to seamlessly flow into the kitchen space.

The rear boasts one of our most spacious bathrooms yet, with separate shower cubicle, dressing area and abundant wardrobe space.

The 520 is the perfect model for those wanting ease of manoeuvrability in a mid-sized luxurious package.

avanté

# 550

## Classically configured.

The 550 boasts a rear island bed layout with abundant hanging wardrobe space and cabinetry, a spacious separate washroom and shower cubicle which can be closed off from the living space to provide a real homefrom-home feeling.

The superbly equipped living area and kitchen combine to provide a wonderfully useable touring space.

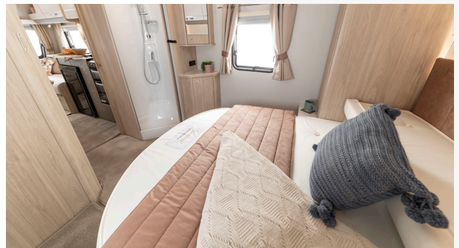

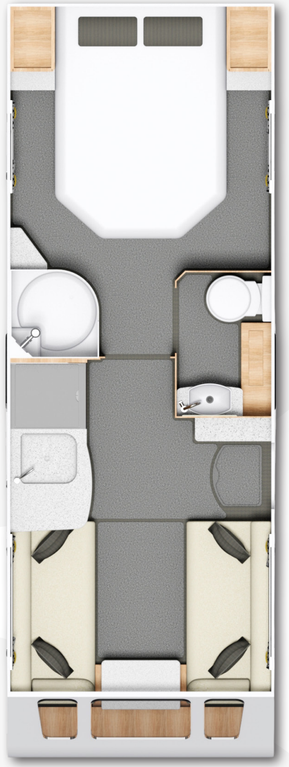

OPTIONAL: DREAM+ MATTRESS

SS4

# Open-plan living, on the road.

Step inside and you're greeted by a fantastically expansive open plan 4 berth layout.

With the large bathroom and shower cubicle spanning the full rear width of the caravan, the whole interior opens up into a large spacious room.

The bedroom can be very simply partitioned off when privacy is required.

avanté
# 840

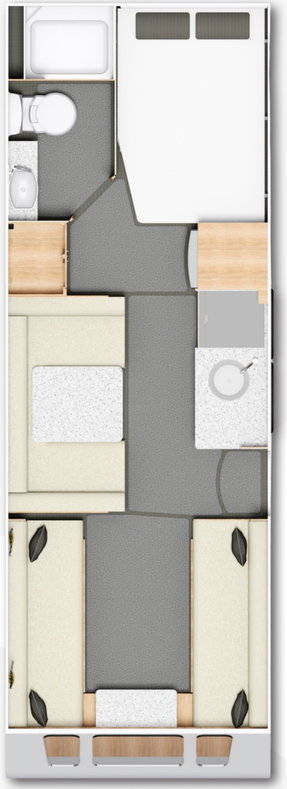

## Communal living space redefined.

8FT WIDE

The centre piece of the twin axle 840's design is the beautifully appointed and spacious dinette.

Perfectly positioned between kitchen and lounge it provides a wonderfully open social area linking the two areas of the caravan seamlessly together.

Of course, this also provides the opportunity for two extra berths when quickly converted to a double bed, allowing the 840 to become a full 6-berth family caravan when holiday plans require.

avanté
# 860

8FT WIDE

## En-suite flexibility.

As a rear transverse double berth layout, the 860 has a centrally located separate washroom and shower which can be closed off from the living area to provide a superbly spacious en suite, or partitioned from the bedroom during the day.

Perfect flexibility for a couple or family of 4.

avanté
868

# Fun and space saving.

For a fun bunk bed configuration, look no further.

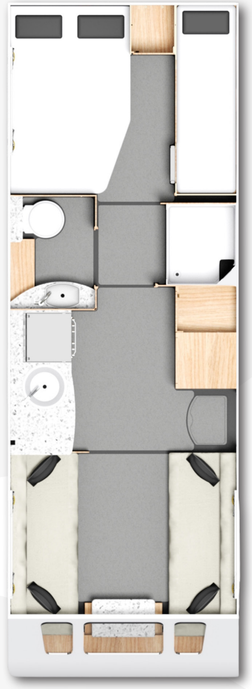

The 868 is a large twin axle tourer and a fantastic family holiday maker.

The sleeping pods are beautifully integrated and positioned next to the double bed - the perfect choice for families with young children!

Of course, the space saving nature of bunk beds means even with a single child on board, the other bunk can be used as storage.

Forward, the parallel dinette converts to a large double or can be used as single beds. 6 berths in total for larger families, or when friends come along.
